AUTHORIZATION

WHEREAS, by Act of the General Assembly of Virginia, as provided in Chapter 11, Article 8, Section 15.1-486 through 15.1-503, Code of Virginia, 1950, and amendments thereto, the governing body of any county may, by ordinance, divide the territory under its jurisdiction into districts of such number, shape and area as it may deem best suited to carry out the purposes of this Article, and in each district it may regulate, restrict, permit, prohibit and determine the following:

- A. The use of land, buildings, structures and other premises for agricultural, commercial, industrial, residential, flood plain and other specific uses.
- B. The size, height, area, bulk, location, erection, construction, reconstruction, alteration, repair, maintenance, razing or removal of structures.
- C. The area and dimensions of land, water and air space to be occupied by buildings, structures and uses, and of courts, yards and other open spaces of lots based on whether a public or community water supply or sewer system is available and used.
- D. The excavation or mining of soil or other natural resources.

THEREFORE, BE IT ORDAINED by the governing body of Amelia County, Virginia, for the purpose of promoting the health, safety and general welfare of the public and of further accomplishing the objectives of Section 15.1-427 of the Code of Virginia, 1950, as amended, that the following be adopted as the Zoning Ordinance of Amelia County, Virginia, together with the accompanying maps. This Ordinance has been designed (a) to provide for adequate light, air, convenience of access and safety from fire, flood and other dangers; (b) to reduce or prevent congestion in the public streets; (c) to facilitate the creation of a convenient, attractive and harmonious community; (d) to expedite the provision of adequate police and fire protection, disaster evacuation, civil defense, transportation, water, sewer, flood protection, schools, parks, forests, playgrounds, recreational facilities, airports and other public requirements; (e) to protect against destruction of or encroachment upon historic areas; (f) to protect against one (1) or more of the following: overcrowding of land, undue density of population in relation to the community facilities existing or available, obstruction of light and air, danger and congestion in travel and transportation or loss of life, health, or property from fire, flood, panic or other dangers; (g) to encourage economic development activities that provide desirable employment and enlarge the tax base; (h) to provide for the preservation of agricultural and forestal land and other lands of significance for the protection of the natural environment; (i) to protect approach slopes and other safety areas of licensed airports including United States government and military air facilities; and (j) to promote affordable housing.
